## 2 Site Allocation Plan Consultation Meeting:

Ward Cllr Barry Anderson hosted a meeting to supply information of use to residents wishing to make a response to the SAP. Response need to be made by 5pm on Monday 16<sup>th</sup> November.

NP group discussed wider issues raised at the meeting.

- Large Scale housing developments agreed for Otley
- Large Scale housing developments proposed for Bramhope
- Large Scale housing developments possible within 5 miles of village in North Yorkshire
- Large Scale employment facilities scheduled on 100 acres site near Leeds Bradford Airport

- A65 relief road proposed to assist airport traffic.
- Longer term – Midgeley Farm aggregate quarrying on Pool Rd

The above will all generate massive road movements much of which will involve HGV's. Concerns were expressed over the impact this will have on the road network in the village which is already a matter of grave concern.

Date and time of next meetings.

7pm – 16th November 2015

7pm – 29<sup>th</sup> November 2015

3pm – 6<sup>th</sup> December 2015
