JG confirmed we have approximately £2K remaining plus up-to a maximum of £5K available from MICE (Members Improvements in Community & Environment) money courtesy of BA.

JG to circulate updated project plan with costings to committee and Mike Dando – this will form the main agenda item for the next meeting

We will ask both Mike & Ian to suggest any preparation work needed before the next meeting.

5. **Large Format Map of the Village**

Discussions took place on the cost (£1k) of the required large format map. It was agreed that we should look at ways of keeping costs to a minimum and accept offers from LCC to provide the map and maybe digitise the annotated map thereafter. Annotation can be undertaken by the group.
